10 Tax Changes Resulting From Alimony	26,978	(11,118)	31,178	(15,618)	35,378	(19,868)

Comments:

In a final divorce, different alimony scenarios can be evaluated simultaneously. Child support will automatically be recomputed if you have selected that alimony will be added to Obligee's income in computing child support. Report is available with annual or monthly numbers.
